

Explore Charlottesville

2026 Neighborhood Monthly Walks

Every 2nd Sunday of the month at 10 AM we will lead a walk through one of Charlottesville's neighborhoods. Each walk will be roughly 3 miles on mostly even terrain but sometimes we will venture off to explore interesting connections or parts of our city!

January — Woolen Mills

February — Johnson Village

March — The Meadows

April — UVA Grounds

May — Rose Hill

June — Locust Grove

July — Lewis Mountain

August — Fifeville

September — Martha Jefferson & Little High

October — Barracks/Rugby

November — Ridge Street

December — Belmont

This is an opportunity for all of us to get to know our city better, learn from our neighbors and see where there are places to build a better, more connected

Charlottesville. For more information to go:
