

# How to: Metropolis Vision

## How do I pay for parking at a Vision location?

### New to Metropolis?

- 1. Drive in:** Our technology will recognize your vehicle when you drive in and automatically start a parking visit for you.
- 2. Connect:** Scan the QR code on one of the signs posted throughout the Metropolis location. Add your phone number, license plate and payment method to sign up.
- 3. Drive out:** When you're ready to leave, just drive out and we'll automatically charge your account for the total amount due and send your receipt via text.
- 4. Enjoy seamless parking:** After signing up at a Vision location, you're a Member! Now you can just drive in, drive out and pay automatically using your chosen payment method across the largest parking network in North America

### Already signed up?

- 1. Drive in:** Our technology will recognize your vehicle when you drive in and automatically start a parking visit for you. We'll send you a text message or notification with details about your visit, including current rates.
- 2. Drive out:** When you're ready to leave, just drive out and we'll automatically charge your account for the total amount due and send your receipt via text.
